RE: Notification of Nutritional Support Statements

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of CholesFiber™, dietary supplement. Source Naturals® is the manufacturer of CholesFiber.

Statements being made in the labeling of CholesFiber:

- (1) CholesFiber is an all-natural soluble fiber drink mix which helps support healthy cholesterol levels.
- (2) It contains high methoxyl pectin (from apple & grapefruit) which has been shown to regulate cholesterol better than low methoxyl pectin.
- (3) It supports healthy elimination and regularity.

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
